

Founder's District DEC Report

March 22, 2017

Diana Dee, DTM
Club Growth Director (S)

Club Growth (South)

Completed

- The Costco club in Garden Grove, "No Ums About It," chartered January 19
- The "Millie & Severson" club in Los Alamitos chartered February 1
- Social Services agency club in Santa Ana, "SSA-TCD," chartered March 3
- Other demonstration and information meetings were held, but did not produce any new clubs

Issues

- The Health Care Partners club in Costa Mesa, "Costa del Sol," is at about 14 members and is working to charter
- The District needs a net gain of 10 clubs to be distinguished. We may lose some clubs that don't pay.

In Progress

- Employees of the City of Newport Beach will charter at their demonstration meeting on April 6
- Kaiser Permanente Harbor/MacArthur in Santa Ana held an information meeting; we are working on finding a better meeting day and adding more potential members to hold a demonstration meeting
- I and a few others are cold-calling Orange County companies to generate new club leads

Recognition

- Lori Shapiro, for using a lot of her "between jobs" time to work on starting new clubs
- David Hosmer, for his continuing work with Blizzard Entertainment
- John Barry, who consistently volunteers to help at information, demo, and launch meetings

Upcoming Events

- An information session will be held at Kaiser - Downey on April 25
- The reward party for clubs qualifying for Talk Up Toastmasters will be May 6
