- LA County Orators, Club 1880 has shut its doors and turned in a club suspension form

EXPAND YOUR HORIZONS

- Spirited Toastmasters has canceled several meetings and has low membership. They too are struggling with a high work load and low attendance.
- Champions Toastmasters has dropped off the grid. No response to phone calls and emails. We no longer know where and if they are meeting. Dues were not paid. We are assuming the club is lost.

In Progress

- We are currently in conversation with Republic Services to finalize the details of chartering a club.
