Founder's District Program Quality Report

May 24, 2017

District Conference

Attendance was much lower than expected and were still not able to obtain any sponsors. The two-day event went very smoothly. Daniel Midson-Short will represent Founder's District at the International Speech Contest semi-finals in Vancouver. John Breb took first place in the Table Topics contest.

LACE June 2017

Sherry Tomasula will replace Susan De La Portilla as the LACE chair for South. We have assigned presenters for 8 educational workshops. Sherry is working to assign the remaining club officer training sessions. LACE North will not parallel the South workshops so the registration is being handled separately. Registration for North and South are active and first email notifications sent out.

Member Achievements

So far this year, we have 19 DTMs, 39 Triple Crown Awards, 297 Competent Communicators, 136 Advanced Communicators, and 266 leadership awards. Lorrie Briscoe and Ann Shimizu have achieved DTMs after the district conference.

Club Achievements

63 clubs currently distinguished or better, and 84 clubs are within 4 members and 2 DCP points for distinguished status. We need just 30 more clubs to become distinguished to hit our distinguished goal.

Club Renewals

10 clubs have not yet renewed. 18 Clubs have will not renew. 14 new clubs have been added. If the 10 clubs renew, we will need 12 new clubs by June 30 to hit our distinguished goals for paid clubs.
