

Alignment Report for District Conference 2017-11-04

Last spring, the elected district officers decided that they would serve as the alignment committee. The alignment committee reasoned that adding an additional division would get more people involved overall. Recent history suggests that division councils are very active, whereas area councils are not.

Having more four-club areas may result in more Distinguished Areas as well, with only two, rather than three clubs needing to be Distinguished for the area to reach Distinguished.

Clubs per division 2017-18

A	22	Anaheim, Garden Grove, Orange, Santa Ana, Tustin

The number of Divisions planned for next year will depend on if we have net club growth or loss, and the roles that areas are expected to play in the district.
